

## **Certificate of Multilingual Proficiency**

The Certificate of Multilingual Proficiency is a recognition program and validation of student achievement in language proficiency both in English and another language. This is a celebration for both world language students and English Learners alike as both work hard to develop sustained functional abilities in a new language. Indiana's Certificate asks that students achieve an Intermediate High level of proficiency which is based on the ACTFL Proficiency Scale found [here](#).

The following list of schools delineates the Indiana high schools that have opted to honor the graduates of the Class of 2019 by participating in the Certificate of Multilingual Proficiency program.
